HELP US PAINT THE VALLEY PINK

The Valley Goes Pink is a grassroots, community wide effort throughout the Lower Naugatuck Valley to:

- Create awareness about breast cancer and the importance of early detection
 - Support the Hewitt Center for Breast Wellness at Griffin Hospital
 - Showcase partnering organizations...all at the same time!

Throughout the year, but mostly the month of October, Valley towns are invited to attend a variety of unique fundraising events and marketing programs to support the campaign. Please plan on attending one or more of these events. Contact Jodi Dawley (203-521-2233) or Sue Petrizzo (203-400-1068) for more info.
