It is the responsibility of the Principal Investigator to list all current investigators and key study personnel on this form and to ensure that those individuals complete the procedures regarding Human Subjects Research-Related Conflict of Interest. All such personnel must read the policy found in the *Griffin Hospital IRB Human Subjects Research-Related Conflict of Interest* form and complete the questionnaire in the *Disclosure* section of the form. The completed *Conflict of Interest* form must be submitted along with this Application Face Sheet. Those who answer "no" to all 6 questions are required to check "no" and sign and date below. Answering "no" to all 6 questions means that there is no real or potential conflict of interest. Those who answer "yes" to any of the questions must check "yes," sign and date below, and submit documents explaining the "yes" answers in the questionnaire. Answering "yes" to any of the 6 questions signifies that there exists some real or potential conflict of interest. In this case, along with checking "yes" below, please contact the Chairman of the IRB, Dr. Brian Karsif, directly at 203-732-1447 to discuss the real or potential conflict of interest.
